

Air Purifier

Intelligent & Energy Saving

- ▶ Smart Car Air Purifier
- ▶ Home DC Air Purifier

Smart Car Air Purifier

-Real-time monitoring & Air quality display

Style and Fashion Design

Simple One-Touch
Enjoy Every Breath of Clean Air Everywhere

Smart Class

Smoke / PM2.5 particles / Bacteria Easy Remove

High Efficiency Air Purification

15 million negative ions concentration
UVC Disinfection & Negative Ions Air Purification

Smart Panel

- Gentle / Strong Fan Level
- PM2.5 Air quality Indicator
- Battery Capacity Display
- Power ON/OFF button

4 colors Air Quality Indicator

PM2.5 LED Indicator

- Blue: 0 ~ 50
- Yellow: 50 ~ 100
- Orange: 100 ~ 250
- Red: PM2.5 > 250

High Quality Air

Good Quality Air

Moderate Haze Air

Heavy Haze Air

Features

- ▶ Suitable for car, office table, small space, small room.
- ▶ 15 Million pcs/cm³ Anion Concentration Purify your air quality.
- ▶ Mini and Compact Size, Smart and Unique Design.
- ▶ Negative Ion Purifying Air, no consumable filter replacement cost.
- ▶ Low Power Consumption, High efficiency.

■ Specification

Model No	GT-C6U
Product Name	Smart Car Air Purifier
Type-C Input Voltage	5v, 1A
Power Consumption	≤10 watt
Negative Ion Concentration	15 x 10 ⁶ pcs/cm ³
Recommended Space	1800mAh
Noise	≤10m ³
Application	Car , Office Table, Small Space
Dimension	80x80x126 mm
Weight	320g
Color	White / Black
Country of Origin (CO)	TAIWAN

Home DC Air Purifier

-Innovative Eco-friendly air purifier for home & office.

Real-time PM2.5 Air Quality Indicator

Features

- ▶ Fashion design, new touch control panel display.
- ▶ Negation ions destroy bad odor and smoke, improve air quality.
- ▶ PM 2.5 in-time indicator.
- ▶ Auto sensor to adjust airflow .
- ▶ Timer setting of 1 to 9 hours.
- ▶ Easy and quick open front cover, easy filter replacement.

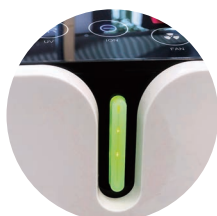

Filter Levels : 6 stages

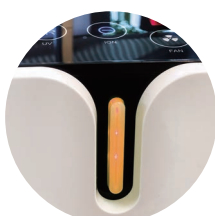

- 1 Washable pre-filter
Remove dust, particles
- 2 3 in 1 HEPA +
Anti-bacterial + Carbon filter
- 3 Deodorizer filter remove
formaldehyde and odors
- 4 Japan 3in1
photo-catalyst filter (TiO2)
- 5 UV Lamp
- 6 Ionizer Generator

User Friendly Design

New Touch Panel Technology

⏻ Press the power button to turn ON/OFF

⌚ Auto Sensor to Adjust Airflow Automatically

☀️ UV light setting

⊖ When press the ION button, the Negative Ion Generator will turn on or off.

🌀 Airflow Speed: 9 level

⌚ Timer setting: 1-9 hours

■ Specification

Model No	A plus (A+)
Product Name	Home DC Air Purifier
CADR	300 CMH (180CFM)
Filter Level	6 stages filters
Voltage	220~240V
Frequency	60Hz
Suitable Space	13.2m ²
Dimension	H 555 x W 415 x D 188 mm
Weight	6.5KG
Certification	CE approval
Country of Origin (CO)	TAIWAN
