-Multi-functional Post In-line Water Filter Cartridges

Inline Post Carbon Filters
10-T33

Inline Bio Ceramic Ball Filters
10-CT33

Inline Mineral Stone Filters
10-MT33

Specification

Model No	10-T33	10-CT33	10-MT33
Product Name	10" In-line Water Filter		
Product Type	In-line Coconut Granular Activated Carbon Filter	In-line Bio Ceramic Ball Filter	In-line Mineral Stone Filter
Application	Remove chlorine and increase great taste in the water	Remove chlorine and increase great taste in the water	Increase minerals and great taste in the water
Filter Type	In-line Disposable Water Filter		
Maximum Pressure	100 psi		
Maximum Temperature	100 °F		
Packing Details	25pcs in one box		
Country of Origin (CO)	TAIWAN		

Inline Alkaline Filters
10-AT33

Inline NANO-ACT KX CTO Carbon Filters
NANO-ACT10 INLINE

Model No	10-AT33	NANO-ACT10 inline
Product Name	In-line Water Filter	
Product Type	line Alkaline Filter	Nano X-Plus 10" in-line Anti-bacterial NANO-ACT KX CTO Filter
Application	Remove chlorine and increase great taste in the water	drinking water purification, remove bacteria, chlorine and heavy metals
Filter Type	In-line Disposable Water Filter	
Maximum Pressure	100 psi	
Maximum Temperature	100 °F	
Packing Details	25pcs in one box	
Country of Origin (CO)	TAIWAN
