

# Quick Change Water Filters

- Food Grade and Easy DIY Filter Cartridges

GT-P05

GT-P01

GT-33

GT-CTO

GT-RESIN/S30

## ■ Specification

Model No	GT-P05	GT-P01
Product Name	Quick Change PP Polypropylene Water Filters	
Product Type	PP 5 Micron Sediment Filter	PP 1 Micron Sediment Filter
Application	Pre-filtration sediment filter, remove particles and dirt	
Filter Type	Quick Change & Disposable	
Maximum Pressure	100 psi	
Maximum Temperature	100 °F	
Packing Details	25pcs in one box	
Country of Origin (CO)	TAIWAN	

Model No	GT-33	GT-CTO	GT-30
Product Name	Quick Change Activated Carbon Water Filters		
Product Type	Coconut Granular Activated Carbon Filter	Coconut Activated Carbon Block Filter	Coconut Activated Carbon Block Filter
Application	Pre-filtration filter, remove chlorine, pesticides, bad odor and smell		
Filter Type	Quick Change & Disposable		
Maximum Pressure	100 psi		
Maximum Temperature	100 °F		
Packing Details	25pcs in one box		
Country of Origin (CO)	TAIWAN		

Model No	GT-RESIN	GT-S30
Product Name	Quick Change Resin Water Filters	Quick Change Anti-Scale Water Filters
Product Type	Anti-Scale Water Filter	Anti-Scale Water Filter
Application	Food Grade Ion Exchange Resin for Softener Water	Food Grade Polyphosphate Anti-Scale Softener water
Filter Type	Quick Change & Disposable	
Maximum Pressure	100 psi	
Maximum Temperature	100 °F	
Packing Details	25pcs in one box	
Country of Origin (CO)	TAIWAN
